Before and After School Care

With so many demands on today's families, parents need all the help they can get. That's why the YMCA of Southwestern Indiana is the largest nonprofit child care provider in the region! We help hundreds of children every day reach their fullest potential in a welcoming, supportive environment. By incorporating the values of caring, honesty, respect and responsibility into all of our youth services programming. We give children the solid foundation they need to thrive – not only in school, but beyond. Our Before & After School Care Program ensures that your child's time is spent creatively and constructively. You can feel confident knowing that your child is safe and well cared for by highly qualified staff. All of our staff are CPR and First Aid certified and we meet or exceed state staff-to-child ratios. Before & After School Child Care is available for children who need care before school and/or after school at one of our 20 schools/sites.
