BEFORE & AFTER SCHOOL CARE

YMCA Before and After School Care is more than a place for children to go before and after school. It's a place that compliments and enhances formal education by providing opportunities that help build interpersonal skills and self-reliance, develop character, and inspire discovery in fun and exciting ways.

[LOGIN AND REGISTER](#)

Before & After School Child Care is available to any child physically attending the school where the YMCA Before and After School program is offered. Children in 6th grade who have moved to middle school may attend, but must arrange their own transportation to their home grade school. Children may attend before school from 6:30 am until school starts and from the end of the school day until 5:30/6:00 pm. Please refer to our Parent Handbook for specific program times for your child's school.

Please note: North Gibson & South Gibson care begins at 6:00am until school starts and from the end of the school day until 5:30 pm.

"Train up a child in the way he should go; even when he is old he will not depart from it."
Proverbs 22:6
