The YMCA’s Diabetes Prevention Program uses a CDC-approved curriculum and is part of the CDC-led National Diabetes Prevention Program.

YMCA of Southwestern Indiana and the National Council of Young Men’s Christian Association of the United States of America (“YMCA of the USA”) have made a commitment to collaborate with the nation’s YMCAs on efforts to support a national movement to increase awareness and take measures to prevent diabetes and its complications among groups at risk, and to help support treatment outcomes for individuals who have confirmed diagnoses or indications of prediabetes by promoting an effective lifestyle change. YMCA of the USA nor any YMCA offering the YMCA’s Diabetes Prevention Program warrants or guarantees any specific outcomes for program participants with respect to diabetes prevention.
